

# New Orleans Recycling Guide

Updated April 2017 by Margaux Armfield, Tulane University  
Please send updates and suggestions to [recycle@tulane.edu](mailto:recycle@tulane.edu)

This guide provides information for area residents on how to recycle or donate many different items and materials. It does not include information on the growing number of recycling services that can be procured by area businesses, large organizations, and institutions such as schools.

## Curbside Recycling

### City of New Orleans

The City of New Orleans offers free weekly curbside recycling to properties that are eligible for the collection of solid waste by the City. Eligible properties include those with four units or less, which generate less than 95 gallons of solid waste at each routine collection (outside the French Quarter & Downtown Development District) or less than 35 gallons of solid waste at each routine collection (within the French Quarter & DDD). Hotels, restaurants, and bars are not eligible for City sanitation services.

Registration is easy—residents of Orleans Parish can call 311 between the hours of 8:00am and 5:00pm, Monday-Friday, to register for the curbside recycling program and receive a free, 64 gallon, wheeled cart with a lid (outside of the FQ/DDD) or an 18 gallon blue bin (inside the FQ/DDD).

Items that can be recycled curbside include:

- Paper (newspaper, magazines, junk mail, office paper, phone books, envelopes, catalogs)
- Plastics (#1 through #7, including plastic pots from plant nurseries)
- Metal cans (aluminum, steel, tin, small metal cans, clean aluminum foil)
- Cardboard
- Paperboard/boxboard (such as cereal boxes, cracker boxes, toothpaste boxes)
- Waxboard (juice boxes)

The recycling pickup schedule is posted online on the Department of Sanitation website, <http://www.nola.gov/sanitation/schedules/>.

Residents can also directly call the company that collects their recycling to determine their recycling pickup day. Below are the customer service numbers and websites of each company.

## Jefferson Parish

Curbside recycling is currently available to all residents once per week. Recycling bins should be placed out with garbage bins on either the first or second garbage pickup day, depending on the residential address. All recyclables should be placed within the regulation 18-gallon bins provided by the parish. Households that generate more than will fit in one bin may obtain additional bins by calling 504-731-4614. Bins from the previous program are acceptable if they are 18-gallon open topped bins, regardless of the color.

Items that can be recycled curbside include:

- Plastics (#1 through #7)
- Small metal cans (aluminum, steel, tin)
- Corrugated Cardboard
- Boxboard (i.e. cereal, shoe boxes)
- Paper – newspaper, telephone books, magazines, junk mail, paper bags, envelopes, manila envelopes, home office paper, colored paper, shredded paper (secured in plastic bags), greeting cards

East Bank residents will have their recyclables picked up on the *first* garbage collection day. West Bank residents will have their recyclables picked up on the *second* garbage collection day. Collection day information by location is available here,

<http://www.jeffparish.net/modules/showdocument.aspx?documentid=5748> .

### St. Charles Parish

<http://www.stcharlesgov.net/services/recycling-bins>

St. Charles Parish hosts drop-off bins for recyclable materials at various locations on the East and West Banks. The 8-cubic-yard bins will be available on a daily basis for drop off of residential recyclables, which will be picked up weekly. Some of the more frequently used sites are picked up twice per week. Before recycling, make sure to remove all food and liquid from bottles or cans. Rinse them and remove caps. Items do not need to be sorted but should be placed together in a bag or box. See website for list of locations.

Items Accepted:

- Plastic containers (numbers 1-3 and clear drink bottles)

- White or colored paper
- Cardboard (without food residue)
- Paper products including paperboard (including cereal boxes), newspapers with inserts, shredded paper in bags, magazines, and phone books, and junk mail
- Steel, tin and aluminum cans

### St. John Parish Recycling

[http://sibparish.com/works\\_general.php?id=253](http://sibparish.com/works_general.php?id=253):

The bins at the following locations will be picked-up monthly until the need increases for additional pick-ups per month. See website for a list of locations, and detailed do's and don'ts.

Items accepted:

- Paper
- Cardboard
- Plastics
- Aluminum and metal cans.

### **PLASTIC SHOPPING BAGS**

*\*Due to pollution and litter hazards posed by disposable plastic and paper bags, the most eco-friendly solution is to use reusable shopping bags. If you already have plastic bags, the easiest way to recycle these bags is to use them as trash bags.*
